- B. Teachers engage in strategic practices and data driven decision making to address the gap between what students know, need to learn, and extend their learning so that all students and pertinent subgroups experience consistent high levels of engagement, thinking and achievement. [Tenet 4, DTSDE]

**Goal 2: The school community identifies, promotes, and supports social and emotional development by designing systems and experiences that lead to healthy relationships and a safe, respectful environment that is conducive to learning for all constituents [Tenet 5, DTSDE]**
